## Babies up to 24 months

### Caring and stimulating environment

Within a caring and stimulating environment, babies use movement, sound, colour and touch and are encouraged to explore, develop and above all, enjoy their "second home".

We strive to mirror the childcare that you give your child at home including the feeding habits, nappy changes and sleep routines you use; all made possible through working closely with your child's nominated Key Carer in our new and intimate baby room.

Children also enjoy outdoor play, freshly prepared healthy food and bottle feeds prepared by a senior member of staff.

## Toddlers – 24-36 months

### Learning through play

Creative play is the perfect platform to help toddlers develop early skills. Here, every activity is a learning opportunity.

We encourage your child's understanding of language and maths through creative and fun activities. And of course, toddlers have plenty of time to relax with story-time.

Plus don't worry, that all important home potty training routine will be carefully mirrored at the Nursery with your child's nominated Key Carer.

## Pre-School - 3-5 years

### Making learning fun

Pre-School is an exciting adventure for our young children; we want them to leave the Nursery feeling confident and prepared for primary school.

Music, science experiments, creative and garden play, all feature in weekly fun-filled activities. These are carefully planned by our experienced Early Years staff.

Through both adult led and child initiated activities, independent and motivated learning is encouraged, something we hope parents will continue to do at home. We invite you to work closely with your child's nominated Key Carer on their individual learning journal.

## Holiday Childcare

### Day Camps every school holiday

So much fun they won't want to leave...!

Exciting action-packed Activity Day Camps to keep your children entertained every day.

Holidays never looked so good... children will have time to enjoy topsy turvy world Play Centre as well as many other exciting activities. Visit [www.topsyturvydaynursery.com](http://www.topsyturvydaynursery.com) for more information.
